Dear Mark et al,

Thank you so much for the grant of \$15,000 from the Lutheran Foundation for Long-Term Living. We are beyond grateful for this generous gift to fully fund our Music Therapy interns as they go through training with Hudson Valley Hospice patients and staff.

For over 40 years, Hudson Valley Hospice has attended to the needs of our patients, maintaining their dignity, enhancing their quality of life and supporting their loved ones. Right now, we are caring for over 600 patients and their loved ones each and every day. Your gift is making a significant difference, as we meet the ever increasing needs of the men, women and children of Dutchess and Ulster Counties who are facing life limiting illnesses of themselves or a loved one, providing charity care for the uninsured and underinsured, covering the costs of nonformulary drugs, providing additional support to patients and their families through our good will fund, staff training, music therapy visits and so much more.

Our thanks to you, the Board of Directors, and everyone at the Lutheran Foundation for Long-Term Living for being part of something extraordinary! Should you have any questions, or if I can be of any assistance, please do not hesitate to contact me.

With extreme gratitude,

Lisa A. Wilson
