Dear Mr. Gusek,

It is with the utmost sincerity that we thank you for awarding us the Edwina M. Gesler Music Therapy Grant in the amount of \$15,000.00.

Our organization exists to serve our community and to help countless children and adults with disabilities work towards independence through our therapeutic programming. This grant will be integral in establishing our music therapy program and extending the services we offer to help even more in need and further our mission. With the ability to acquire the supplies and resources we need, we expect this program to thrive and the Lutheran Foundation will have played a major part in achieving this goal.

We are grateful for the honor of being one of your grant recipients and appreciate the time you spent reviewing numerous applications.

Thank you for your incredible generosity and support.

With gratitude,
